A TIME OF *Refreshing* FROM THE *Lord*

Letter from Elder Michele

Dearest A Prophet's Life & Conference Guests,

It has been a year to remember! So much has happened as we have come out of quarantine and into – we hardly know what. It has been a sobering year of swift and deep transitions, yet with every heartache, a promise has been released. An echo from the scriptures that God will never leave or forsake us, and they all things are still working together for our good. I don't know about you, but this year has placed a demand on my faith in a new way. It has required me to peel back the layers of my faith and see exactly what I really believe. I'm happy to report that He is still Savior, King, and Lord over my life - and that is all.

A Time of Refreshing from the Lord was what was needed, and I am believing God for just that over the course of these three days. Lean in. Place a demand on the anointing of this house. Watch God meet you at the point of your need and exceed your wildest expectations. APL remains the greatest obedience of my life. You continue to stretch me in the most necessary ways. God has filled my heart with genuine love and concern for every member of APL around the world. I hope to someday embrace those who are from across the waters. I am privileged to work with mentees from across this nation who are doing remarkable things for God. I am grateful. I am humbled. I am excited for what's next in each life

The coming year is loaded with promise fulfillment, exceeding great joy and answers to complicated complications. Let's worship and obey God together and see what the new year will usher us into – answers, dream fulfillment, unspeakable joy and the anointing that destroys yokes.

As for APL in 2023, we are launching some exciting new coaching and training opportunities. What will always remain is authentic dialogue, prevailing prayer, messages from trusted prophetic voices and the wise counsel that makes your walk with God as a prophet, intercessor or Kingdom leader easier. I am most grateful for you APL. Happy Birthday! We are two years old!

Be encouraged,

Elder Michele Brown

About Us

A Prophet's Life (APL) is the ministry of Elder Michele Brown. It is an online community of prophets, prophetic people, and the people that lead them - discussing the prophetic mantle, ministry, and our walk with God.

Founded in December, 2020, APL's mission to encourage and equip the next generation of prophets in the earth - to partner with heaven and our God to see His Kingdom come and His will be done in the earth as it is in heaven. We know that this establishment begins with the voice of the prophet, declaring the will of God and the mind of God in the earth. We endeavor to offer wise counsel, sound doctrine, and some joy for the journey which can be solitary and isolating in its execution. We have as a community committed to giving God a complete and lifelong YES.

Won't you join us?

BENEDICTION

Bishop Anthony L. Willis

Bishop Anthony Willis

Bishop Anthony Willis is the pastor of Lily of the Valley Christian Center. Born in Oakland, to godly parents, the late Superintendent A. D. Willis and State Supervisor Martha F. Willis, Bishop received strong biblical training. Although he desired a football career, God orchestrated a different plan for his life. Even as a young man, he faithfully worked with his father in many areas of the church. He is a skilled musician and played lead guitar until devils had to flee. He served as Junior Pastor for 3 years.

In 1987 Superintendent A. D. Willis' health began to fail and Bishop Anthony Willis became Co-Pastor of Lily of the Valley C.O.G.I.C. Bishop Willis was consecrated a Bishop in 2004. He is a mentor to many Pastors in the Bay Area and abroad. These Pastors were drawn by his love for God and his passion for encouraging and building ministries. By the inspiration of the Holy Ghost, he formed a fellowship of ministries called P.U.R.E. Ministries International Fellowship of Churches. As Chief Apostle over this fellowship he collaborates with (25) churches and a host of Outreach Ministries.

Bishop Anthony Willis has a ministry that reaches far beyond denominational barriers. He has traveled throughout the United States and abroad proclaiming the gospel.

Bishop Willis attended Shiloh Bible College and Urban Missions Theological Seminary both located in the city of Oakland. He was the recipient of the 2004 Ambassador for Peace Award from the Inter-religious and International Federation for World Peace. He has gained special recognition for transcending racial, national, and religious barriers. In January 2006, Bishop Willis was appointed by the United Chaplains International Worldwide Outreach as Assistant Director of the California Region.

Bishop Willis is married to his high school sweetheart, Yvonne Marie Willis. His 45 years of marital experience has been central to the establishment of a prominent couples ministry. Many have been tremendously influenced to maintain strong morals and family values through this ministry. He is a loving husband, father, and grandfather.
